Contacting Network Managers E-mail List

CNS Network Services has an e-mail list for the purpose of communication related to announcements, changes and outages which may affect the UF Campus Networks or the campus Internet connection. The name of the new list, as well as the address for posting is: net-managers-l@lists.ufl.edu [mailto:net-managers-l@lists.ufl.edu]. Posting is restricted to subscribers only.

Those interested in joining the list who are not net-managers may request a subscription by sending e-mail to listserv@lists.ufl.edu [mailto:listserv@lists.ufl.edu], which has

\texttt{subscribe net-managers-l \textit{firstname} \textit{lastname}}

in the body of your message, where ‘-l’ is a lowercase "L," not a numeral-one.

In order that discussions may be followed by others who do not wish to subscribe to the list via e-mail, copies of the list traffic have been made available on the Web at http://lists.ufl.edu/archives/index.html (and search from your browser for the words "net-managers-l"), and in the Usenet news group uf.mailing-lists.net-managers.
