NERDC Expenses

These two charts compare NERDC actual expenses (accrual basis) for fiscal years 1999-2000 and 1998-1999. Under accrual basis, expenditures are reported when materials or services are received, rather than at the time of payment (cash basis). "Software and SW Licenses" includes both expense (OE) and capitalized (OCO) software. "Other OE" includes administrative overhead, communications, utilities, and all other NERDC expenses.
