UF Disaster Preparedness .................................................................3
UF Disaster Preparedness

As we enter the height of the hurricane season, we want to make sure you know that UF maintains an Emergency Management Web site. The site has links to local agencies, law enforcement, local support services, weather information, computer and security information, public works, transportation, utilities, and more.

For more information, please see http://www.ufl.edu/emerg.html.

Your Comments are Welcome
