2002-2003 NERDC Guidebook Coming in August! ....................................................3
2002-2003 NERDC Guidebook Coming in August!

It's time to tear into a new NERDC Guidebook. This year we invite you to NERDC Unwrapped.

The Guidebook, which is designed primarily with the new user in mind, serves as an overview of NERDC facilities and services.

The annual updates reflect continual improvements made to hardware, software, and services.
