UF to Host Information Technology Security Awareness Day ................................................3
UF to Host Information Technology Security Awareness Day

The University of Florida Office of Information Technology is sponsoring Information Technology Security Awareness (ITSA) Day on Wednesday, September 25, 2002, 8:30 a.m. -- 5:00 p.m. in the J. Wayne Reitz Union Auditorium. The day-long program features local and national experts who'll share a variety of practical guidelines to improve the security of their information resources. Vendors will be available in the Gallery outside the auditorium with information about their security products.

No advanced registration is required. For more information, please call Allan Pither at (352) 392-2061 or visit the ITSA Web site at http://www.itsa.ufl.edu.

Your Comments are Welcome
