Mark Your Calendars for Peer2Peer and IT Orientation

Peer2Peer and IT Orientation are coming in March!

**IT Orientation Spring Session March 3**

Information technology at UF has undergone some major changes, to say the least, in the last year. If you're new to IT, new to UF, or just want a refresher, join us for IT Orientation on March 30. You'll learn the structure of IT at UF, your place in that structure, and the many resources that are available to you.

This edition of IT Orientation will be held on March 3, 2005, at Stadium West, Room 316, from 1:00 to 4:00 p.m. To register, go to http://www.hr.ufl.edu/training/springregistration/itstaff/default.htm

**Peer2Peer March 30**

On March 30, 2005, the Information Technology Training Committee will once again sponsor Peer2Peer, a training session that allows UF experts to share their knowledge with their peers. These sessions are free, take only half a day, and best of all, require no travel! All this, while you get a break from your desk and information from some of the world's most knowledgeable people.

Peer2Peer will be held at Stadium West, Room 316, from 1:00 to 4:00 pm on March 30, 2005. No need to register! Watch this space and LISTSERVs for more information as sessions are confirmed.
