NETg Courses Updated in January 2005

Free NETg information technology courses are available to all UF students, faculty, and staff. You can select individual course titles, groups of related courses covering specific areas of interest, or take vendor-approved training courses that are geared directly toward industry-recognized certification tests.

UF receives updated courses from NETg frequently, and the most recent updates were installed in January 2005.

The following new or updated courses were installed:

- C Programming - Part 1
- Growing with Technology - Levels K-5
- MS Word 2000 Fundamentals
- Microsoft® PowerPoint® 2000 Proficient User
- MS Windows XP Administration Pt 1
- MS .NET Technology Overview Part 1
- Introduction to ASP.NET Part 1: Introduction and Web Controls
- Introduction to ASP.NET Part 2
- Introduction to ASP.NET Part 3
- MS SQL Server 2000 DB Admin Part 5
