NERDC Reaches Out at Computer Fair; Patricia Durant Honored at FAEDS ...............3
NERDC Reaches Out at Computer Fair; Patricia Durant Honored at FAEDS

At the Florida Association of Educational Data Systems (FAEDS) conference, NERDC administrators networked with educational computing colleagues, and executive secretary Patricia Durant (right) was awarded a medal for her yearlong role assisting the membership chair.

NERDC networking consisted of much more than hubs and routers in October, as NERDC staffers networked in person at UF Computer Expo '96 (held at the Reitz Union) and the FAEDS conference in Orlando. Staff from several departments took turns as outreach hosts for the NERDC expo booth; here, Tarrie Van Horn (far right) demonstrates a NERDC network connection for a father and son.
