Where were you/we in the early days?  .................................................................3
Where were you/we in the early days? Here, Jennie Boring (foreground, in the paisley dress), a NERDC systems programmer in the mid-1960s, demonstrates a line printer for a group of students. As NERDC prepares to celebrate its 25th birthday in 1997, we invite you to peruse the history of the data center, starting with the fabulous fifties.
