Humor: Then and Now, a.k.a., The More Things Change...

For a perspective time it takes to enjoy computing productivity, we turn back to cartoonist Marie Desjardin, who in yesteryears regularly penned cartoons for /Update, such as this one (top) from August 1983. For NERDC’s 25th birthday, we invited her to show us how much things have changed! You too can help NERDC celebrate its quartercentennial by visiting the photo gallery on the NERDC History Page at: http://www.cns.ufl.edu/info-services/history/.
