NERDC I&R Committee Launches Web Site

The NERDC Instruction and Research (I&R) Users' Committee is pleased to unveil its new Web site at: http://nersp.cns.ufl.edu/~ircomm/.

The Committee is comprised of faculty, research staff, graduate students, and departmental computing representatives. The group meets monthly with NERDC management and other providers of campus computing services to discuss computing issues.

The Committee has recently addressed issues such as on-line registration systems, student computer access, paradigm shifts for educational computing, Gartner Learning Services, Internet2 (the Next Generation Internet, or NGI), UF Intranet networking upgrades, and Distance Learning Initiatives at UF. Recent tours for the group have been to NERDC and to the UF Career Resource Center.

The I&R Web site includes information about the I&R Committee, minutes from previous meetings, the current month's agenda, a list of current members and their terms, future meeting times, and a link to databases maintained by UF departments.

If you would be interested in joining the I&R Committee, please send a resume and statement of interest, noting your use of NERDC facilities, to Dr. Betty Taylor, c/o NERDC I&R Users' Committee, 112 SSRB, PO Box 112050, Gainesville, FL 32611-2050. If you have questions, call Dr. Taylor at 392-0417 or e-mail her at lawbt@nervm.cns.ufl.edu.

Your Comments are Welcome

We welcome your comments and suggestions on this and all UFIT documentation. Please send your comments to:
