I&R Committee Members Needed

Due to expiration of terms, applications are now being accepted for two UF faculty members to serve two-year terms and two UF graduate students to serve one-year terms for the Instruction and Research Users' (I&R) Committee. Applications are also being accepted for two administrators from the University of North Florida to serve two-year terms.

This committee meets monthly (see schedule of meetings) with NERDC management and other providers of campus computing services to discuss computing issues of interest to instruction and research users of the center. The chair of this committee sits as a member of the NERDC Policy Board.

Participation on this committee provides faculty, A&P research staff, and departmental computing representatives, and graduate students with a unique opportunity to stay apprised of large-scale computing facilities available to them, to provide direct input to those who set computing policy for our campus, and to influence enhancements to the computing environment according to their needs.

If you are interested in serving, please send a resume and statement of interest, noting your use of NERDC facilities, to Dr. Betty Taylor, c/o NERDC I&R Users' Committee, 112 SSRB, PO Box 112050, Gainesville, FL 32611-2050. If you have questions, call Dr. Taylor at 392-0417 or e-mail her at lawbt@nervm.cns.ufl.edu.

Your Comments are Welcome

We welcome your comments and suggestions on this and all UFIT documentation. Please send your comments to:
